

Клеммник питания , для Z- SV ... 3-фазы

Тип **Z-EK/95**
Каталог № **264933**

Технические характеристики согласно ETIM 6.0

| | | | |
|--|--|-----------------|-------|
| Low-voltage industrial components (EG000017) / Busbar terminal (EC000001) | | | |
| Electric engineering, automation, process control engineering / Electrical installation, device / Clamp (not overhead line) / Switch board (ecl@ss8.1-27-14-11-46 [BAA025010]) | | | |
| Busbar thickness | | mm | 0 - 0 |
| Busbar width | | mm | 0 - 0 |
| Suitable for | | | - |
| Width clamp | | mm | 0 |
| Max. conductor cross section | | mm ² | 0 |
| Max. rated operation current Ie | | A | 0 |
| Suitable for round conductor connection | | | Yes |
| Suitable for sector conductor connection | | | No |
| Suitable for strip conductor connection | | | No |
