

Монтажная плата без подготовленных отверстий

Тип **XME4008M**
Каталог № **171732**

Технические характеристики согласно ETIM 6.0

Energy distribution systems (EG000015) / Mounting plate for distribution board (EC000213)

Electric engineering, automation, process control engineering / Electrical insulation and connecting material / Electrical insulation and connecting material (accessories) / Mounting plate for distribution board (ecl@ss8.1-27-40-92-16 [AC0553008])

Height		mm	997
Width		mm	689
Material			Steel
Surface protection			Zinc coated
Perforated			No
