

Монтажная плата без подготовленных отверстий

Тип

XME4808M

Каталог №

171733

Технические характеристики согласно ETIM 6.0

Energy distribution systems (EG000015) / Mounting plate for distribution board (EC000213)

Electric engineering, automation, process control engineering / Electrical insulation and connecting material / Electrical insulation and connecting material (accessories) / Mounting plate for distribution board (ecl@ss8.1-27-40-92-16 [AC0553008])

Height	mm	1197
Width	mm	689
Material		Steel
Surface protection		Zinc coated
Perforated		No
