

Компенсационный блок

Тип Z-S/KO
Каталог № 270588

Технические характеристики согласно ETIM 6.0

Light control (EG000029) / Capacitor (EC001516)			
Electric engineering, automation, process control engineering / Component (electronic) / Capacitor / Capacitor (unspecified) (ecl@ss8.1-27-26-02-90 [ACN774007])			
Capacity		µF	1.5
Nominal voltage		V	240
Model			Parallel capacitor for L-lamp
With insert contacts			No
Diameter		mm	0
Length		mm	0
