

Розетка штепсельная 2,5 модуля

Тип **Z-SD230**
Каталог № **266875**

Технические характеристики согласно ETIM 6.0

Devices for distribution board-/surface mounting (EG000062) / Socket outlet for distribution board (EC001663)		
Electric engineering, automation, process control engineering / Electrical installation, device / Modular serial built-in device for electrical circuit distributors / Socket outlet for distribution board (ec1@ss8.1-27-14-23-05 [AFZ817010])		
Nominal rated voltage	V	250
Nominal rated current	A	16
With hinged lid		No
Voltage type		AC
Model		Protective contact (SCHUKO)
With child-protection		No
With control lamp		No
Width in number of modular spacings		2.5
Built-in depth	mm	60
Degree of protection (IP)		IP20
